

## **CURRICULUM VITAE**

**Laurie G. Dyke**

Certified Public Accountant  
Certified in Financial Forensics  
Certified Fraud Examiner  
Certified Forensic Consultant

---

### **EDUCATION**

University of California, Berkeley  
Bachelor of Science, Business Administration/Accounting, 1978

---

### **PROFESSIONAL EXPERIENCE**

Ms. Dyke is the Founder and Managing Partner of the Investigative Accounting Group d/b/a IAG Forensics & Valuation (IAG), a CPA firm that specializes in forensic accounting, fraud investigation, business valuation and litigation support. Ms. Dyke was an auditor and consultant with Ernst & Young for approximately nine years, started and managed a consulting practice for a regional CPA firm for approximately three years, has approximately ten years experience as a financial executive, and started her own business in 2002. She has been qualified over one hundred times as an expert witness in forensic accounting and fraud investigation, testified in Georgia State and Superior Courts, Federal Court, and other state courts, assisted with criminal prosecution and defense, and has served as a court-appointed receiver.

Areas of expertise include business litigation, shareholder actions, contract disputes, family law, estates and trusts, government and non-profit, internal investigations and white collar crime – especially matters that involve complex analysis, reconstruction and reconciliation of financial records.

---
